

# HOMECOMING INFO

October 22, 2005

Georgia vs. Arkansas

**CELEBRATING 100 YEARS OF THE REDCOATS!**

## Rehearsal Schedule

Due to the fact that this year's Homecoming game is an SEC game, kick-off time is uncertain. The game could start as early as 1:00 p.m. or as late as 7:00 p.m.! Regardless of when the game begins, alumni band rehearsal will begin at 7:00 a.m. on Woodruff Field. Breakfast will be served! Please check the alumni band website at: [redcoatalumniband.com](http://redcoatalumniband.com) for the final Homecoming schedule. The schedule will be posted one week before the game and will also be distributed at the morning rehearsal.

## Tickets/Entering Stadium

Tickets will be distributed at Woodruff Field before and after alumni band rehearsal. Tickets will not be mailed out; you must attend morning rehearsal to acquire your tickets. Please note: EVERY participant and guest (including babies) MUST have a ticket to enter the stadium! Alumni will enter the stadium individually, through a regular ticket gate. We will NOT enter as a group, as in the past. It is your responsibility to arrive in time to enter the stadium and be prepared for the performance.

## Performance

Alumni – start practicing! Last year, we had so much fun marching at pre-game and half-time, that we decided to do it again! *Hold on to your seats everybody – the Redcoats are coming!*

## Instruments

Only the following instruments will be available for use at Homecoming: percussion, sousaphones, mellophones and baritones. Piccolos will not be available. Brass players - please bring your own mouthpiece! Percussionists – please bring your mallets and/or drumsticks.

## Pre-game & Half-time Music

Music can be obtained through the alumni website at [www.redcoatalumniband.com](http://www.redcoatalumniband.com). Just like last year, the password to obtain your music is “onehundredyears”. Please do not download music unless you are participating in Homecoming this year. Thank you.

## Uniforms for Instrumentalists

Last year, the Redcoat Alumni Band donned a new look – red shirt and khaki pants, replacing the old look of black and white. The new look blended well with the current Redcoat uniforms for the combination half-time show as over 900 past and present Redcoats entertained the crowd. This year, the alumni Redcoat Band will continue the new look. **All instrumentalists should wear a RED SHIRT and KHAKI PANTS!** (Please do not wear the old colors of white and black.)

## Uniforms for Drum Majors

Drum Majors should wear a black shirt and khaki pants. Please note the change this year!

## Uniforms for Auxiliaries

Forget the old uniforms! Throw on some red & black and come enjoy the fun! Read more about this on page 8.

## Parking

We strongly suggest that you park in lot Eo8 at the Leebern Band Hall. Shuttle buses will take you to Woodruff Field for the morning rehearsal. The shuttle will begin running at 6:00 a.m.

## Directions to Leebern Band Hall

Exit the Athens Bypass at College Station Rd. Once you have exited, go west (toward campus). Turn right at the light onto River Road. Pass the bus stop and fork right. The School of Music Building will be directly in front of you. Park in Lot Eo8. The shuttle bus will depart from Lot Eo8.
